

## Board of Trustees Announce Rate Increase at Hosp

The Board of Trustees of Wasatch County Hospital nounced that effective Febru 1, 1970, the room rates we be increased by \$2.00 per a The increase will make retrates at the hospital \$32.00 a semi-private room and \$34 for a private room.

The board gave as reason the increase as rising hosp costs with many suppliers h ing raised their prices by 8 percent during the past ye and also the mandatory raise the minimum wages for hospi employees from \$1.30 per he to \$1.45 per hour effective Fruary 1, 1970.

Even with the increase room rates the price per d is still considerably lower the the larger hospitals in Salt La and Utah County where \$4.0 \$6.00 increases have either be announced or are contemplated Comparable rates for a senprivate room range from \$35.0 \$47.75 per day depending on t size of the hospital and fro \$38.00 to \$49.75 for a priva room.

When speaking of the ra increase, Mr. Schloss, the Hopital Administrator, indicate that the room rate which the hospital has more realistical labeled the "Daily Servic Charge" includes the cost for the room, nursing service with exception of Special Dul Nurses; meals, including services of a dietician; and all offer administrative and bas special services required maintain the hospital patient.
